Mothers are Good Shepherds

Dear brothers and sisters,
I pray, bless, thank and wish all the mothers on this mother's day weekend for being the mothers they are in shepherding their children. We are also celebrating the "Good Shepherd Sunday." I am celebrating the 38th Anniversary of my Priestly Ordination.

How fitting and appropriate to celebrate these together!

When a mother has a sick child, it is marvelous how quick her ears become while attending it. Good woman, we wonder she does not fall asleep. If you hired someone else, *she* would. But the dear child in the middle of the night does not need to cry for water or even speak; there is a little quick breathing - who will hear it? No one would except the mother; but her ears are quick, for they are in her child's heart. Even so, if there is a heart in the world that longs for the things of God, God's ear is already in our hearts. He will hear it.

Jesus says, "I am the Good Shepherd; my sheep hear my voice; I know them, and they follow me; no one can take them out of my hands" (Jn. 10: 27-28). If He is confident of our hearing His voice and following Him, we can be sure that He hears us. He is the shepherd who feeds, guides, guards and heals. With Jesus at our side, we can do all things (Rev. 7:14-17).

The Lord called me to be your priest and pastor; and made you and I "a light to the nation and an instrument of salvation" (Acts 13:46). All our mothers would love to hear that we live our life that she dreamed of and make her feel proud of us in everything we do. May this be our mother's day promise and wishing. Thank you for praying for me, your priest; and helping me to be your pastor & shepherd! Peace be with you!
Msgr. Xavier

Title: Empty is a Good Thing! Bible: Luke 24: 1-8; Mark 8:31; Romans 6: 6-11

Point #3: Empty is powerful. Jesus has power over death

Because Jesus died and rose again, because he, Jesus, is who he says he is, Jesus has power of sin's greatest weapon... death.

You know for something to have life, something else has to die. Did anyone eat some fruit today? It had to be disconnected from its tree, its life source; it had to die to give you life.

Jesus is the one who says I can give you life, I can make it so that you will never really die...that even after life on earth is finished, you will live with me forever...because that is how much I love you!!

The empty tomb shows us that Jesus has power over death, he looked death straight in the eyes, he took death's best sting...and overcame it!! How amazing is that!!

Point #4: Empty is permanent.

You know plenty of people visit Jerusalem every year. Plenty of people walked down some of the same roads that Jesus may have walked down. One of the places people love to visit is the place where historians believe Jesus was buried...and guess what? Till this day the tomb is still empty!!!

Romans 6: 9

⁹We are sure of this because Christ was raised from the dead, and he will never die again. Death no longer has any power over him.

Jesus wasn't in the tomb 3 days after he died...he isn't in the tomb today...and he never will be!! Jesus is God and is alive forever! His body wasn't stolen, it wasn't in the wrong tomb, it wasn't some magic trick....

So, when we look at the true meaning of Easter and everything Jesus did for us on the cross...empty is a good thing!! Empty means Jesus is who he says he is, Empty means Jesus has power over death, And empty is permanent...

Jesus is permanently alive and death will never overcome him again. When we decide to follow him instead of following our own selfish desires, we too can begin to really live!

BLESSED EASTER!

Sincere Thanks to all the teens,

young adults and adults who enacted "The Passion Play" on Good Friday. It was a marvelous and spirit-filled event.
